10_Anglický jazyk_6B_Řadové číslovky-procvičování

Milí šesťáci,

Tak první kontrolní týden máte za sebou. Pro ty, kteří pracují poctivě a nenechávají věci z týdne na týden, aby se jim úkolů jenom vršilo, to dopadlo určitě dobře. Ty ostatní vyzývám k zodpovědnějšímu přístupu. Opravdu nejsou prázdniny. A i kdybychom byli ve škole, řada úkolů by byla na vás, abyste sami splnili. My se vám snažíme najít takové nástroje, které vám to vaše osobní úsilí mohou ulehčit. Ale nástroje se samy neovládají, těm musíte pomoct vy. Proto se opravdu snažte. Držím vám pěsti. 😊

Na konci každé přípravy se vám snažím zařadit nějaké video – písničku, příběh, gramatiku – je dobré si i toto pustit, uslyšíte reálnou angličtinu a i toto vás může trošku posunout dál.

V případě jakýchkoliv dotazů jsem k dispozici přes Teams nebo přes e-mail. HS

Birthdays in Britain

On your birthday you get cards and presents from your family and friends. Parents often buy a big present like a bike or MP3 player. Other people give toys, sweets, books, clothes, CDs, DVDs and things like that.

People normally have a birthday party for their friends. There's usually a birthday cake with one candle for each year of your age. The person with the birthday blows out the candles and makes a wish. Then everybody sings 'Happy Birthday!'

People often have a party in their own home. Some older children don't have a party. They take their friends to the cinema, a bowling alley or somewhere like that.

My friend, Anna, in Hungary says that they have 'name days' in her country, but we don't have 'name days'. Anna also says that people in Hungary give flowers on name days and birthdays. In Britain, we usually only give flowers to women.

Cameron and I give flowers to our mum on her birthday.
