

MY HOLIDAY

Last holiday I was with my family in the Hotel SPA RESORT in Lednice. The first day we were walking in the castle garden. There was a lot of flowers and plants. After walking, we were swimming in the hotel pool with a salty water. At the hotel there was delicious cuisine. We stayed in a beautiful room with a TV and a private bathroom.

The next day we sailed a small boat and we rode a horse carriage. Last day we went to the castle restaurant and I had a pancake with ice tea. It was great! We all really enjoyed our Holiday!
