My name's Jessica Poole. I'm twelve years old and I live in London.

I go to Watermead High School. I'm in class 8B. My favourite subjects are Chemistry and Geography. I don't like French or Maths.

I take the bus to school with my friends. We meet at the bus stop at quarter past eight. School starts at quarter to nine and finishes at half-past three. After school, I go home and I do my homework. In the evening, I watch TV or go on the Internet. I practise the clarinet, too.

On Wednesdays, I don't go home at half past three. I play table tennis in the school gym. I'm not very good, but it's fun. I like sport.

On Saturday mornings, I have a clarinet lesson.

I've got a brother. His name's Cameron. He doesn't go to the same school as me. He's only ten years old, so he goes to a primary school near our house. He walks to school. Their lessons start at nine o'clock, so Cameron leaves home at ten to nine.
